Important: Procedures for Pickup of Auction Items

Please note that the procedures for check-out have changed from previous years!

Please do not collect your item(s) prior to checking out.

1. If you are the high bidder on silent or live auction items, please proceed to the check-out table near the front entrance.
2. Pay for your item(s); you will receive a check-out slip(s). Payment can be accepted by cash, check or credit card.
3. Present the check-out slip(s) to one of the runners; that person will collect your items and present them to you. Don't hesitate to ask for help getting to your car — it's dark out there!
